WisBlock Unify Outdoor Enclosure 150x100x45 Datasheet

Overview

Description

RAKBox-UO150x100x45 is a medium-sized **WisBlock Unify Enclosure**. It is an IP67-rated protection class that allows the unit to be used outdoors while protecting the internal components from dust and water. It is also a weatherproof fire retardant enclosure made from ABS plastic specially designed for WisBlock Products.

Moreover, it supports different types of mounting options such as pole, wall, DIN rail, belt, and hook.

Features

- IP67-rated
- Dimensions L x W x H: 150 mm x 100 mm x 45 mm
- Available in two (2) colors: light gray and white color
- Two base plate options: **Plain Base Plate** and **WisBlock Bespoke Base Plate**
- Support the application of various scenarios via optional mounting accessories
- Allows **customization service** without MOQ and supports CNC machining, painting, label printing, etc.
